Story This series is a follow up to the original Ultraman and Ultra Seven. The first episode begins with a fight between two giant monsters Takkong and Zazahn in Tokyo. Amid the monster destruction, young race-car driver Hideki Go is killed while trying to rescue a little boy and a dog from the falling rubble. His valiant sacrifice is noted by everyone, even his friends and the new defense force MAT (Monster Attack Team), but an unseen being also takes notice. Looking over him is "New Ultraman (Ultraman Jack)," who is so touched by his heroics that he decides to combining his own life-force with Hideki's, thus bringing him back to life (just like the original Ultraman did with Shin Hayata), much to everyone's astonishment. MAT asks him to join the team, which he does, especially since, in this frightening new "Age of Monsters," Earth will need a savior. In times of crisis, Hideki Go will raise his right arm and, by force of will, transform into Ultraman Jack to fight monsters.

Siri ini melanjutkan siri Ultraman original dan Ultra Seven. Permulaan episod pertama menggambarkan pertarungan antara 2 ekor raksasa gergasi di Tokyo, dan seorang pelumba kereta muda, Hideki Go terkorban dalam pertarungan ini semasa menyelamatkan seorang budak lelaki dan seekor anjing dari bangunan yang bakal runtuh. Tindakan wiraannya telah menyentuh hati Ultraman Jack dan ingin mengabungkan nyawa diri dengan Hideki agar dia dapat dihidup semula menjadi penyelamat Bumi. Kemudian pasukan MAT turut menjemput Hideki menjadi ahli pasukan mereka dan Hideki pun setuju. Maka bermulanya pengembaraan Hideki menukar menjadi Ultraman Jack dan berlawan dengan raksasa-raksasa.
