Story:

Seishk Handa is a pro calligrapher, despite his young age. When the elderly curator of an exhibition criticises his calligraphy for being too unoriginal ("like a copybook"), Handa gets angry and punches the curator. In the wake of this faux pas, his father sends him off for a retreat on GotM Island, near Kykshk. There, he meets the colourful villagers, interacts with them, and begins to learn.

Seishu Handa seorang ahli kaligrafi profesional muda. Bila seorang kurator pameran tu mengkritik seni kaligrafinya tidak cukup keasliannya, Handa marah dan menumbuk kurator tersebut. Disebabkan oleh pelanggaran tatasusilanya, ayahnya menghantar dia pergi ke Pulau Goto, berhampiran dengan Kyushu, untuk mencari ketenangan. Di situ dia bertemu dengan penduduk tempatan yang ceria, berinteraksi dengan mereka dan mulai belajar kelebihan mereka.
